golf tournament PUTTING CONTESTS

So, you think 135 yards is too long? Well, how about 50 feet? That's right, you can now insure a 50 foot or longer putting contest for as little as $150. Before, during, or after your tournament, our single putt or three-putt combination contests are sure to create excitement for all your participants.

SINGLE PUTT

Our most popular contest! This contest is designed to give a select number of finalists the chance to one putt for all the dough. Qualify 1-5 lucky contestants to participate by having a putt off, closest to the hole contest, or straightest drive contest. Better yet, raise money for your cause by selling chances for a drawing where the winners attempt the prize putt. During your barbecue, auction, or award ceremony, gather the crowd around the putting green, set up a 50-foot or longer putt, and watch your finalists go for the big bucks. This contest can be run indoors or out, so keep in mind those trade shows, sporting events, and social gatherings. Anybody can make a putt!

THREE-PUTT COMBINATION

Talk about affordable! This contest will give everybody in your tournament the chance to be a hero. Use this one as your 19th hole on the practice green. Involve sponsors and give away auxiliary prizes for making one or both of the combination's first two putts. We suggest merchandise, green fees, or maybe a free entry to next year's event. Here is an example: Make a 10 footer, win a sleeve of balls (provided by a sponsor). Move on and make a 30 footer, win a golf shirt (once again, provided by a sponsor). While you're hot, make a 50 foot or longer putt and win a new car (this time, provided by Hole In One International). Call us for more details.

BASIC RULES AND REGULATIONS

- No practice putts, mulligans, or substituted putts for other contestants are permitted.
